Next week we are having a “spring spirit week.”

The 7th graders will be taking a field trip on Thursday, May 9th to the Stuart Fremont Theatre to watch the movie The Mighty based on the novel Freak the Mighty that the students have been studying in reading class. The movie focuses on how strength can be found through friendship.

Mrs. King (our high school counselor) visited the middle school to help our 8th grade students use Xello to work on their 4-year plan.

## 8th grade Wax Museum

The 8th graders will be doing a “Live Wax Museum”, where they are pick a figure from U.S History and dress in costume to make their historical figure “come to life”. They will be having an exhibit in which they will be dressed as the person that they are representing. We are looking for anything that they may be able to use for their presentations and exhibits. We are in need of costumes, anything that could be used to piece costumes together as well as props that they can use with their “exhibit” and presentation. If you have anything that we could use, please contact Ms. Coston. Any donations would be greatly appreciated. We look forward to the community coming in to see the “Live Wax Museum” in May. Thank you for your support.
